mental health

Description: National Trust footpath route past Bateman's - rural footpaths, quiet lane, woodland, farm fields and pavement return. Option for shorter route by taking middle footpath.

Take care: Several stiles/bridges; can be steep/uneven in places; can be muddy; grazing livestock; A265 has 60/40&30mph (but pavement).

Difficulty level: Moderate when dry; slightly challenging if muddy.

Nearby postcode: TN19 7ET
