

1-2-3 walks

Notice nature,
enjoy exercise,
strengthen
mental health

Description: Heathland and woodland loop around Red House Common, one part of the larger Chailey Common Nature Reserve, a designated Site of Special Scientific Interest.

Explore each area separately or get a full map and link up for a longer walk.

Take care: No stiles but some footbridges with step up; grazing cattle at times; uneven in places; woodland paths can be muddy in winter.

Difficulty level: Easy.
