Description: Public footpath loop across undulating countryside with stunning views.

Can be made shorter using lanes; can be extended along footpaths to Vines Cross (4.6m total).

Take care: Uneven in places; bit steep in places; can be very muddy through wood especially. Some stiles, some steps, some footbridges with steps. Section of quiet country lane with no pavement.

\* Marked as due for repair Summer 2021. Very uneven but passable with care when dry.

Difficulty level: Moderate.
