

Description: RSPB nature reserve, rural footpaths and quiet lane to make a loop.

Take care: Main woodland paths are stone surfaced, minor paths & field paths could be muddy in winter. Narrow woodland path by stream very uneven, slightly challenging, easily avoidable to stick to main paths. One stile, one bridge with step up; steps over railway. Possibility of livestock in farm fields but usually arable. Some moderate slopes.

Difficulty level: Moderate.

Parking: No parking at woodland entrances, park at station car park or on Station Road with care (avoid school drop off/pick up times).

Public transport: Crowhurst train station.
